Honorable Mike Mansfield
United States Senate
Washington, D. C. 20510

Dear Senator Mansfield:

Thank you for your letter of 12 May concerning the recent inquiry you received from the parents of a Gonzaga University student who is interested in a career in intelligence.

We are always pleased to know that a young student is planning a career in this field of endeavor, and are enclosing a copy of our brochure which describes our general employment requirements and opportunities. You may wish to forward this to your constituent. Should this young man's interest in intelligence work continue, we would be pleased to consider an application from him. We would appreciate his contacting us about 6 months prior to his graduation so that we can determine the possibilities of a suitable opening for him at that time.

Your interest in writing to me about this young man is appreciated.

Sincerely,

John A. McCone
